

The background features a repeating pattern of vertical stripes. The stripes alternate between a solid reddish-brown color and a cream color. Each cream stripe is filled with a vertical column of small, dark blue, five-pointed stars. The word "CARNIVALE" is centered in the middle of the image. It is written in a stylized, bubbly, white font with a thick dark blue outline. The letters are slightly irregular and have a hand-drawn feel. Above and below the word are decorative flourishes in the same dark blue color, consisting of symmetrical, swirling, scroll-like patterns.
